

JANUARY NEWSLETTER

2021

How are you feeling now that we are a few weeks into lockdown 3.0? One thing that is very clear is that it's different for all of us, isn't it? Some people are out working hard on the frontline to keep vital services going, others are juggling homeschooling and work whilst some are becoming increasingly bored with their social isolation.

WE'RE CONTINUING WITH THE GROUND AND CLUBHOUSE DEVELOPMENTS

In the absence of visitors to the clay ground, our team has been cracking on with the development plans, including overseeing the finishing touches to the new clubhouse. Whilst we're not yet sure when we will be able to welcome visitors again, we can be certain of one thing – they are going to be amazed at the difference to the place! We're all keeping our fingers crossed that we won't have to wait too long to show you around.

SIMULATED GAME DAYS ARE AVAILABLE ALL YEAR

If you're finding the lack of shooting frustrating, why not consider booking in a Simulated Day to give you something to look forward to? Our Simulated Days run all year-round and are designed to replicate the thrill and camaraderie of a day's driven game shooting with challenging clay targets. Our Simulated Day guests benefit from the varied terrain of the Thimbleby Estate, where one drive might be in some steeply banked woodland and the next on open moorland. Our hospitality is worthy of any shoot in the UK, including breakfast, elevenses and lunch to keep energy levels high. Clay and cartridges are included, offering excellent value for money with packages starting at just £360.00 a person including all cartridges with discounts for Thimbleby members. Take a closer look here.

A THIMBLEBY COMPETITION TO LOOK FORWARD TO!

Amidst the gloom of a January lockdown there are little signs that spring will be here before too long - the days are starting to lengthen, and the shoots of bulbs are showing themselves in flower beds. We're also busy planning something which we hope will cheer you all up - a Thimbleby competition! Exact dates and details will be announced as soon as we are able to, but rest assured, you will be the first to know. There will be some fabulous prizes on offer, so you don't want to miss this...

AND FINALLY, A BIG THANK YOU TO ALL OUR FRONT-LINE WORKERS.

We would like to round off this month's newsletter with a big thank you from everyone connected with Thimbleby Shooting Ground to the NHS and other front-line workers. They are going above and beyond the call of duty to help those suffering from Covid-19 and their families at such a terrifying time. It has been a very difficult year but we hope that the amazing progress of the vaccination rollout programme provides everyone with hope and the promise of a much brighter 2021.
